

International Student Arrival Guide Fall 2017

Everything you need to know

Arriving at Halifax's Stanfield International Airport

- When you get off the plane and collect your luggage, look for the Nova Scotia Welcome Booth in the arrivals area. They will have information for all international students coming to school here in Nova Scotia. They will also have specific information about Acadia, accommodations, etc. The ambassadors at the booth also have contact information for Acadia staff. Drop by and say hello even if you don't have a specific question.
- If you signed up for free airport pick up on August 30 we will have orientation leaders there to greet you at the airport. Look for a welcome leader in a red Acadia t-Shirt. If you do not see one immediately, go to the Nova Scotia Welcome Booth and they can tell you when they will arrive.
- If you have not signed up for the free airport pick up go to the staff at the Nova Scotia Welcome Booth and they will be able to provide information on how to get to Acadia via bus, taxi, limo, etc.

Arriving at Acadia:

Whether you are travelling by bus, rental car or the Acadia shuttle.

When are you arriving?

1. Midnight August 29th – 10:00am August 31st:

Go to Safety and Security Department located in the Student Union Building (30 Highland Avenue). **See red circle on map below.**

(If Highland Avenue is closed on Main Street you can go to University Avenue and follow it to the top, turn left on Skyway Drive and take Highland Avenue down to #30 Safety and Security)

2. August 31st: 10:00am – 12:00pm:

Go to Fountain Learning Commons, 26 Crowell Drive. **See blue circle on map below.** Take Main Street through Wolfville, go up University Avenue and turn left on Crowell Drive. There is parking along Crowell Drive.

- At these locations you will be able to pick up your card to access your residence room if staying on campus. You will then go to your room and get ready to join in orientation activities scheduled here.
- **If you get lost go to one of the phones indicated on the map below and you will be connected with Security who can direct you.**
- If you are going to be living off campus, be sure you arrange with your landlord to move in on August 30th as most lease agreements will not start until September 1st.

Using your phone in your residence room

- If you want to make a long distance call you should purchase a long distance pre-paid phone card. You can buy this in the Student Union Building Market during the day or at any of the pharmacies or Muddy's Convenience store downtown. The staff can help you choose the best card depending on what country you need to call.
- For an emergency, fire, ambulance, etc. call 911.
- For Acadia assistance, call Safety and Security at 1103
- [For further information on phoning within Canada, etc. visit this link.](#)

Residence assistants

- RAs are students who live and work in residence and are responsible for assisting and advising residence students, developing and encouraging residence activities and events, programming, discipline, and security. Your RA can answer any question you may have about Acadia and refer you to resources. Get to know your RA. Each floor has an RA and their room door will be clearly marked. Please introduce yourself to your RA and feel free to ask them for help when needed.

Wong International Centre

[The Wong International Center](#) is located at 27 Acadia street on the corner of Acadia and Highland avenue. [Acadia's campus map can be found here.](#) The Wong International Centre Office hours are 8:30am to 4:30pm, house hours are 8:30am to 10:00pm during the academic year with reduced hours on holidays. This is a resource centre for international students. So drop by and say hello to our staff and ask any questions you may have. There is a live in student assistant named Shelby. His room is the blue door on the second floor. If he is not there leave a message on his white board and a number or email.

International Student Advisor

- [Julie Snair is the Coordinator of International Education](#) and the advisor for all international students regardless of what you need help with. You can talk to Julie about transitioning to university from high school, living in a new country, culture shock, changing your major, adjusting to a new learning and teaching style, etc. Julie has worked with international students for many years and is very knowledgeable about the concerns and challenges of international students. Drop by her office in the Wong Centre (upstairs) and introduce yourself. She will be a resource for you during your years at Acadia. You can email her at international@acadiu.ca or phone 902-585-1690. If you are on campus you just need to dial 1690.

Using the internet

- There is wireless everywhere on campus. You can log on as a guest when you first arrive if your account is not set up. Go to Wi-Fi and choose Acadia Guest. This will give you limited access of two hours.
- Students will be granted access to the Acadia network once they are registered and have paid tuition fees. On September 1st, there will be an in depth information session on merging your email accounts, connecting with your professors, getting your assignments, etc.
- If you are having trouble with internet access, ask one of your team leaders or your RA for help. There is a help desk in [Technology Services](#) located in Room 112 of the [Beveridge Arts Centre](#)

Business Hours

- Acadia business hours are 8:30am – 4:30pm Monday through Friday.
- Banking hours are generally 10:00am-5:00pm
- Many stores are open until 9pm for shopping in Wolfville or New Minas. You can purchase food and some pharmacy items at a shop in New Minas called Sobeys which is open 24-hours. Taxi drivers will know where this is.
- Some shops open on Sunday but operation hours are reduced.

Getting Around

- There is a bus service called [Kings Transit](#) that goes to New Minas. Although you can buy most things in Wolfville, New Minas is a bigger shopping area if you need something specific or you need to purchase cell phones, etc.
- There is also a bus company called [Maritime Bus](#) that does trips to Halifax daily.
- There are many taxi companies in the area. Ask in your residence if anyone would like to share a cab with you. Many students find this an economical way to get around. Within Wolfville most companies offer a flat rate of \$5.00.

Town of Wolfville

- If you are waiting for orientation activities to begin or you want to take a break from getting things organized, feel free to explore the town of Wolfville. People are friendly and there are several restaurants, cafes, and stores for you to discover. There is also a nice short walk along the waterfront park behind Tim Horton's coffee shop. The [tourist bureau is located on Willow Avenue at the end of town](#). The tourist bureau will have lots of information about the area. They are open from 10:00 a.m. to 6:00p.m. 7 days a week until October.

List of things to do before classes start

1. Attend [International Student Orientation Activities](#)
2. Your leaders will help you
